| 14. | <b>Notice of Motion: Sustainable long-term waste strategy</b>                                 |                 |

Moved by Councillor Peatfield, seconded by Councillor Shanker

*Derby City Council recognises that following the termination of the original NWTF contract, Derby City Council must review our long-term waste strategy.*

*The root cause failure of the above contract has been the inability of RRS to obtain an independent certification for the operations on Sinfin Lane. We now must work to produce a medium and long-term sustainable waste strategy for the City of Derby.*

*Council resolves to request that Council Cabinet:*

- 1. Sever all contractual ties to Derbyshire County Council regarding waste disposal strategy as soon as contractually possible.*
- 2. Terminate as soon as contractually possible the specific elements of the Services Continuity Contract relating to the NWTF and stop any further investment in the Sinfin Waste Plant.*
- 3. In line with the Climate Emergency declaration, apply our resources into creating a sustainable long-term waste strategy that focuses on minimising, re-using, recycling and composting to significantly minimise our reliance on land-fill.*
