Speak to the Monitoring Officer prior to the meeting to avoid risk of allegations of corruption or bias

Cabinet Members - Where an executive member may discharge a function alone and becomes aware of a pecuniary interest in a matter being dealt with or to be dealt with by them, the executive member must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter.

Overview and Scrutiny (O&S) Board Members - You have an interest if any business before an O&S Board relates to a decision made (whether implemented or not) or action taken by the executive or another of the authority's committees; and at the time the decision was made or action was taken, you were a member of the executive or committee and you were present when that decision was made or action was taken. You may attend the meeting for the purpose of answering questions or giving evidence relating to the business and you must leave the room where the meeting is held immediately after making representations, answering questions or giving evidence.
