The Scout Hut would be a slightly more accessible location, more central in the ward.

I welcome; • Attlebridge Close • Chatteris Drive • Fincham Close • Old Mansfield Road (not listed in proposal 14, but it is transferred in the proposal) • Keyhaven Close • Lathbury Close • Woodhurst Close (Not listed in proposal 14, but it is transferred in the proposal) • Ramsdean Close (not listed in proposal 14, but it is transferred in the proposal) • Stowmarket Drive • Yarwell Close * Cheverley Court (not listed in proposal 14, but transferred in the proposal) * Walsham Court (Not listed in proposal 14, but transferred in the proposal) these being moved from DW1 to DW2. This area, locally referred to as 'Derwent Heights' has always been too far from the polling station at DW1. The distance by foot is around 20 minutes and by car around 10 minutes. The journey involves an incredibly steep hill (Scarborough Rise). In my mind this specific area should have always been in DW2 not DW1. I would however, strongly advise against; • Blyth Place • Halifax Close • Harrogate Crescent • Keyhaven Close • Lathbury Close • Millom Place • Pickering Rise • Redcar Gardens • Scarborough Rise (part of) • Skipton Green being moved from DW1 to DW2. This is one side of Scarborough Rise. The Scarborough Rise area (both sides) is almost like a community within itself. A larger community within the DW1 area that identifies as Breadsall Estate or Breadsall Hill Top. Not only would it be splitting this identified community, it will also create a lengthy trip to the polling station at DW2. There will be no straightforward trip by foot or car. In essence creating a situation that has largely existed for 'Derwent Heights' (mentioned previously) being within DW1.
